E&T DATA DASH

Foreign Labor Certification Summer Fun

1,890 – the number of amusement and recreation attendant H-2B temporary non-agriculture worker positions certified as of December 31, 2013 for FY 2014. As we gear up for summer, parks around the country will have staff ready for your summer fun!

WIA Dislocated Workers

3 – the number of major U.S. sports teams one could purchase with the \$6.2B earned by previously unemployed WIA dislocated workers last year. Using these earnings, you could buy the New York Yankees, Dallas Cowboys, and Los Angeles Lakers.

WDQI Grants

29 – the number of current Workforce Data Quality (WDQI) grants. Approximately \$6 million will be awarded in the fourth round of competition to up to six states.

For more information please visit:
<http://doleta.gov/performance/workforcedatagrants09.cfm>.

375,000 – Nationwide, there are over 375,000 apprentices currently obtaining the skills they need to succeed while earning the wages they need to build financial security that's enough people to fill up almost 5 Lambeau Fields.

On the Field with Apprenticeship

12,733 – the number of WIA Adult and Dislocated Worker Exiters who received training in NY state in Program Year 2012. That's enough to fill over half of the 23,000 unfilled jobs in Rochester, NY whose companies say they are "looking for people willing to acquire new skills for the jobs available today"¹
